Dear Jacquelyn:

Account number:

Review status: Vehicle/Vessel Contract Application

IVIPS account information access denied:

Upon careful review of the information provided on your application, we determined that yours is not one of the permissible uses under which release of this information is allowed, pursuant to the federal law called the Driver's Privacy Protection Act (DPPA), 18 USC Sections 2721 and 2725; and state laws RCW 46.12.630, RCW 46.12.635 and WAC 308-10-050(3). On your application, you stated as your reason for access:

- Per campus policy, students must register vehicles, obtain a permit, and park in designated areas. If a student/staff member does not register their vehicle and parks illegally, we have a way to notify the owner. Currently we have a large number of students who do not want to pay our vehicle registration fee, park on campus, thus causing problems for paying students. Additionally, unregistered vehicles park in fire lanes and handicapped spaces and our only recourse is to tow the vehicle.

This use is not permissible according to the DPPA, 18 USC, section 2721, 3(A)(B) which allows access to personal vehicle owner information only to: 3) "For use in the normal course of business by a legitimate business or its agents, employees, or contractors, but only-(A) To verify the accuracy of personal information submitted by the individual to the business or its agents, employees, or contractors; and (B) If such information as so submitted is not correct or is no longer correct, to obtain the correct information, **but only** for the purposes of preventing fraud by, pursuing legal remedies against, or recovering on a debt or security interest against, the individual."

You may submit public disclosure requests for consideration on an individual basis using the Vehicle/Vessel Disclosure Request form (RPD-224-003). These forms are available on the internet @ dol.wa.gov or call us and we will fax or mail the form to you.
